Hoodie Bed

This easily transportable, pita-shaped bed is perfect for little nesters and can be thrown directly in the washing machine. Reversible design means two beds in one! *Available in Broadstripe/Khaki, Dog Natural/Natural, Petal/Blue, and Script/Blue, one size.*

Hydrant Bed

A great pillow-style bed with cheeky hydrant doodle on front and solid brown on bottom. Cover zips right off when ready to clean. *Available in Orange, Blue, Khaki, and Brown in S and L.*

Yum Bowl

Designer-chic sturdy and stable bowl with useful handle and non-skid bottom. 100% lead free and now handmade in Canada! *Available in White, Pink, and Chocolate Brown in sizes S and L.*

X Bone

Floatable fetch toy, great for hot summer days in the water. *Available in Blue and Green, one size.*

WildSide Salmon

Dogs and cats' favourite treat made of 100% natural freeze-dried wild Alaskan salmon! *Available in regular or jumbo chunks and comes in whimsical packages of 1 oz. dog, 1.5 oz. cat, 3 oz. cat, and 4 oz. dog.*

Allow Us To Introduce Ourselves...

ARTZI'S Exclusive Line: **For the Dogs**

ARTZI proudly sales Canadian-made products under the **For the Dogs** brand, including its signature dog bowl and dog bone, designed by Karim Rashid, and popular dog beds.

We believe that, since our pets are such a part of our lives, why wouldn't they be just as much as part of our home? Our beds and bowls are designed purposefully to complement modern interior décor.

The machine washable (from left) **Hydrant Bed**, **Dog Day Bed**, and (below, left) reversible **Hoodie Bed**, made of 100% cotton and available in one-of-a-kind prints, are extremely cozy for dogs and cats.

The hand-made ceramic **Yum Bowl** (below, right) is lead-free and comes in the savviest colours with a non-skid bottom and unique design, including a functional handle. The **X Bone** (below, center) is dogs' favourite fetchable, floatable toy that's not just water-friendly, but water-encouraged.

Our goal is to provide quality products that exemplify the indescribable way pet owners feel about their pets.

WildSide Salmon

Natural treats for dogs and cats.

WildSide Salmon is the world's only freeze-dried wild Alaskan salmon. Made exclusively from human grade boneless Alaskan salmon fillets, WildSide is the perfect healthy treat for discriminating cats and dogs. Available in two different treat sizes, WildSide Salmon is fast becoming the most sought after all-natural healthy treat for sporting dogs, animals in training and those with food allergies.

Salmon is highly regarded as an excellent protein source rich in Omega 3 and Omega 6 fatty acids. WildSide Salmon preserves all the goodness of fresh salmon through freeze-drying chunks of premium raw skinless fillets and packing in recyclable enviro pouches. Wild salmon differs from farmed salmon in that its levels of PCBs and other toxins are far lower. WildSide is produced in small batches to ensure quality and freshness.

Unlike other salmon treats currently on the market, WildSide Salmon is 100% wild Alaskan salmon.

Guaranteed Analysis:
Crude Protein 80% min.
Crude Fat 5% min
Moisture 3% max
Crude Fiber 1% max

- Single Ingredient - Wild Alaskan Salmon
- 100% natural, preservative-free
- No Added Colour
- Naturally Low in Ash
- High Protein (80%)
- Two Sizes - Regular and Jumbo

WildSide Salmon's freeze-drying process produces a crunchy treat that breaks apart easily in a pet's mouth, unlike other 'jerky' style salmon treats on the market today. This makes WildSide the ideal training treat.

Unopened pouches have a shelf life in excess of years. Once opened, WildSide Salmon should be stored in a cool, dry place in a sealed container. Do not refrigerate.
